Using the professional machine from diamonds on demand, learn this lucrative treatment which helps improve:

- Fine Lines
- Pigmentation
- Acne Scarring
- Sun Damage and more.

## **Diamond Dermabrasion – How it Works!**

A wand tipped with hundreds of tiny diamonds gently removes layers of dead skin cells from the face and body.

Elastin and collagen fibres are also stimulated by a controlled suction which encourages cellular renewal, resulting in visibly clearer, brighter, flawless, firmer skin.

One of our trained therapists will tailor make the treatment to suit your personal needs by working with different sized and grains of diamond heads.

Treats various skin irregularity's

## ASIAN BRIDAL MAKE-UP – 1 DAY COURSE IN LONDON ONLY £200

Asian Bridal makeup has been around for centuries and forms a very big part of the brides wedding. There are strong traditions that are followed regarding the make-up application as well as the overall total look, including the bridal jewellery and styling of the hair.

On this course, we aim to give you the key knowledge to enable you to advise and create the different desired looks that an Asian bride might want ranging from a registry look to a traditional wedding ceremony.

### **Entry Requirements: GTi Professional Standards**

This course requires both theory and practical training. You will study the theory online, but you will be required to attend an accredited PBT training centre for the practical training.

Enrolment details: Once you have booked your training course and paid the enrolment and theory fee of £25, you will be able complete the theory modules for the course right away. Once you have completed the theory modules, a practical session code will be displayed on the final module which you can pass on to us. When you have successfully completed your practical training, your tutor will pass you and a GTi Certificate will be available for you to download or purchase on your portal.

Don't forget, you can obtain Guild insurance upon completion of your course with a massive discount of £25 if you upgrade within 3 months of enrolling!
