GTI Eyebrow Lamination – £180 Half Day

This course covers the techniques to enable you to provide a professional Eyebrow Lamination Treatment. Theory is delivered online with clear diagrams.

The practical element is taught in a half day training session. Consultation and contra-indication guidance is covered in the theory element of the course. Photographs and diagrams ensure this course is both engaging and informative to give you the confidence to perform a professional Eyebrow Lamination Treatment.

Entry Requirements: GTi Professional Standards & Eyebrow Shaping and Tinting Qualification

Enrolment details:

Once you have booked your training course and paid the enrolment and theory fee of £25 if not already a GTI member you will be able complete the theory modules for the course right away. Once you have completed the theory modules, a practical session code will be displayed on the final module which you can pass on to your chosen training school. When you have successfully completed your practical training, your tutor will pass you and a GTi Certificate will be available for you to download or purchase on your portal.

Don't forget, you can obtain Guild insurance upon completion of your course with a massive discount of £25 if you upgrade within 3 months of enrolling!
